About the Cosmedic packages.

Where do I go first, Cosmedic Center or Mederi?

It depends on the package. Both teams walk you through the recommended order so everything flows from treatment to recovery.

Can I split the sessions across different days?

Yes. Book them at a pace that works for you, within a timeframe that keeps your results on track.

How do I book?

Through the Mederi app, Mederi WhatsApp or Cosmedic WhatsApp. Once you have chosen a package, either team coordinates the rest.

Can I gift a package?

Yes. All three tiers can be arranged as a gift voucher. Message the team to set it up.

Contact reception on WhatsApp to book and confirm availability.
